

# FIAMC CONGRESS: POSTER PRINT GUIDELINES

## FIAMC Congress 2018 Evangelisation and Works of Mercy

### General information

The FIAMC poster competition hopes to showcase what our member countries have been doing in the service of the Church. The poster should mention what the organisations and their individual members have done and are doing for the Church in terms of pro-life and pro-family advocacy, free medical service for the clergy, religious and laity, and humanitarian missions. We hope that publishing these works will inspire associations to emulate what others are doing, as well as to demonstrate to the world the crucial and active role that Catholic doctors play in society.
